vs.

John Doe subscriber assigned
IP address 98.28.246.161,
Defendant/s.

Denying Claims

My name is on all of the bills at this address because I live here. I pay the internet bill here, but I am not the only one that uses it. Family, friends, and some neighbors have my wifi password. I give my wifi password to anybody that asks for it. I was also not home at the time that the plaintiff is accusing me of downloading and distributing their media. I also do not think my computer could handle downloading and distributing 127 movies at the same time. My computer does not have any of these movies on it. I did not download and distribute the plaintiff's movies.
